

PROVEN PERFORMANCE. LEGENDARY RESULTS.™

CANADA DISTRIBUTOR
PRODUCT & EQUIPMENT

2020 CATALOG

Since 1939, Wynn's heritage of automotive excellence continues today with an array of products designed to effectively treat and improve vehicle engines. We remain as relevant today as we were in the humble beginnings of an old one car garage in California so many years ago.

Wynn's is a brand that generations of car owners have come to know and trust, and we'll work hard to keep earning your loyalty, one bottle at a time.

YOUR ENGINE'S DIRTY LITTLE SECRET

**PATENTED PROCESS
RESTORES AND PROTECTS...**

- Fuel Economy
- Engine Performance
- Vehicle Life

Ask About Our Fuel System Cleaning Services.

Kick Carbon to the Curb.™ With Our Advanced FSC Products

All engines leave carbon deposits, fouling throttle bodies, fuel injectors, intake valves, and combustion chambers. Over time, this impacts fuel economy, engine performance, and ultimately vehicle life. Notably, modern GDI engines actually create carbon faster.

Getting a Fuel System Cleaning service is an important maintenance step that improves drivability now and avoids costly repairs in the future.

We offer three levels of Carbon Busters cleaning, based on severity, engine type, and the time and mileage since the last fuel system cleaning service.

Patent #US20140261555A1

Fuel

Patent #US20140261555A1

Hard Carbon Complete™

Hard Carbon Complete™ is an advanced 3-step induction system cleaning formulated for tough carbon buildup on GDI and PFI engines. Available as a kit or sold individually.

Product #	Description	Fill	Case Count
ZWK10114	Hard Carbon Complete™		6 per case
ZWA66031	Clean-Sweep™ Intake/Induction Liquid Cleaner	16 oz (473 mL)	12 per case
ZW66801	Power Clean™	11 oz (325 mL)	24 per case
ZWA64071	De-Carbon Foam™	13 oz (369 g)	12 per case

Hard Carbon GDI+™

Hard Carbon GDI+™ advanced 2-step induction system cleaning is formulated for tough carbon buildup on GDI and PFI engines. Available as a kit or sold individually.

Patent #US20140261555A1

Product #	Description	Fill	Case Count
ZWK10112	Hard Carbon GDI+™ Premium 2-Step Fuel Kit		6 per case
ZWA66031	Clean-Sweep™ Intake/Induction Liquid Cleaner	16 oz (473 mL)	12 per case
ZWA64071	De-Carbon Foam™	13 oz (369 g)	12 per case

Routine Defense™

The Routine Defense™, 2-Step maintenance kit, with polyetheramine (P.E.A.), when used on a regular basis prevents hard carbon buildup and keeps vehicles running smoothly. Available as a kit or sold individually.

Patent #US20140261555A1

Product #	Description	Fill	Case Count
ZWK10116	Routine Defense™		10 per case
ZW66801	Power Clean™	11 oz (325 mL)	24 per case
ZWA66031	Clean-Sweep™ Intake/Induction Liquid Cleaner	16 oz (473 mL)	12 per case

Actual Before and After Pictures

Before

After

Power Pack

A three step process that chemically cleans the entire fuel system without disassembly. Air Intake Cleaner removes deposits and improves air flow for restored performance. Power Charge™ contains premium fuel detergents to restore fuel economy and reduce emissions. V.I.C.™, introduced through the fuel rail, cleans intake valves, fuel injectors and combustion chambers. Available as a kit or sold individually.

Product #	Description	Fill	Case Count
ZWK10106*	Power Pack		8 per case
ZW60807*	Air Intake Cleaner	6 oz (170 g)	12 per case
ZW66201	Power Charge™	16 oz (473 mL)	12 per case
ZW61510	V.I.C.™	16 oz (473 mL)	12 per case

*NOT FOR SALE IN CA, UT AND NH

Dry Fuel

Effective fuel tank treatment that removes condensation from the fuel system. Safe for all fuel system components, it helps prevent rust and corrosion, icing and rough engine performance due to condensation in the fuel.

Product #	Description	Fill	Case Count
ZW71811	Dry Fuel	11 oz (325 mL)	24 per case

Fuel System Tune-Up 2-Step Kit

Convenient tune-up kit improves performance and saves fuel. Power Charge contains premium fuel detergents to restore fuel economy and reduce emissions. V.I.C.™ cleans intake valves, fuel injectors, and combustion chambers. Available as a kit or sold individually.

Product #	Description	Fill	Case Count
ZWK10135	Fuel System Tune-Up 2-Step Kit		6 per case
ZW66201	Power Charge™	16 oz (473 mL)	12 per case
ZW61510	V.I.C.™	16 oz (473 mL)	12 per case

Fuel System Tune-Up 3-Step Kit

A tune-up kit that effectively and safely removes deposits from combustion chamber, intake valve, injector and intake plenum. Removes gum and varnish from throttle body. Available as a kit or sold individually.

Product #	Description	Fill	Case Count
ZWK10196*	Fuel System Tune-Up 3-Step Kit		4 per case
ZW60802*	Air Intake Cleaner	16 oz (473 mL)	12 per case
ZW66201	Power Charge™	16 oz (473 mL)	12 per case
ZW61510	V.I.C.™	16 oz (473 mL)	12 per case

*NOT FOR SALE IN CA, UT AND NH

Fuel System Service Kit

Cleans away gum and varnish, lubricates the throttle plate, removes deposits from intake valve, injectors and intake plenum. Available as a kit or sold individually.

Product #	Description	Fill	Case Count
ZWK10104*	Fuel System Service Kit		8 per case
ZW60807*	Air Intake Cleaner	6 oz (170 g)	12 per case
ZW67104B	Premium Fuel System Cleaner	11 oz (473 mL)	24 per case
ZW68917	Combustion Chamber Cleaner	11 oz (325 mL)	24 per case

*NOT FOR SALE IN CA, UT AND NH

Fuel System Service 2-Step Kit

Formulated to improve fuel economy and performance. Disperses water and inhibits corrosion created by gasoline containing Ethanol up to E15. Available as a kit or sold individually.

Product #	Description	Fill	Case Count
ZWK10037	Fuel System Service 2-Step Kit		12 per case
ZW68917	Combustion Chamber Cleaner	11 oz (325 mL)	24 per case
ZW67104B	Premium Fuel System Cleaner	11 oz (325 mL)	24 per case

Fuel

Hi-Tech Fuel Treatment

Restores power and fuel economy while reducing fuel emissions. Protects the injection system from rust and corrosion and is safe for all fuel systems. Prevents carbon deposit buildup. Excellent for high revving 4 cylinder engines and will help lower fuel consumption. Safe for exhaust catalyst and oxygen sensors.

Product #	Description	Fill	Case Count
ZW68115	Hi-Tech Fuel Treatment	11 oz (325 mL)	24 per case

Fuel and Oil 2-Step Kit

Enhances the lubrication, protection and cleaning properties of engine oil. Maintains engine performance. Optimizes gasoline mileage. Available as a kit or sold individually.

Product #	Description	Fill	Case Count
ZWK10088	Fuel and Oil 2-Step Kit		12 per case
ZW65221A	Fuel Injector Cleaner	11 oz (325 mL)	24 per case
ZW64328B	Supreme +Plus+™ Oil Treatment	11 oz (325 mL)	24 per case

Air Intake Cleaner

Cleans, lubricates and provides anti-corrosion protection for throttle valves, throttle bodies and idle air control valves. Safe for oxygen sensors and catalytic converters.

Product #	Description	Fill	Case Count
ZW60805	Air Intake Cleaner	18 oz (500 g)	12 per case

Mass Air Flow Sensor Cleaner

Specialized chemistry and precision cleaning combined for restored engine performance. Works safely and quickly to eliminate the deposits affecting vehicle performance.

Product #	Description	Fill	Case Count
ZW63201*	Mass Air Flow Sensor Cleaner	3 oz (85 g)	12 per case

*NOT FOR USE WITH VEHICLES WITH A KARMAN-VORTEX AIR FLOW SENSOR.

Diesel Fuel

Diesel EGR Cleaner

Diesel EGR Cleaner removes deposits from EGR and Induction Systems. Cleans DPF, reduces regeneration cycles, and reduces emissions. Restores lost performance and fuel economy. Apply to Diesel EGR systems using appropriate equipment and adapters.

Product #	Description	Fill	Case Count
ZW71032	Diesel EGR Cleaner	32 oz (946 mL)	12 per case

Diesel EGR Service Kit

De-Carbon Foam™ and Diesel Induction System Cleaner safely cleans the induction system, intake valves and EGR system. Diesel Charge tank additive is formulated with polyetheramine to reduce exhaust particulate emissions and boost overall engine performance. Use with Dodge EGR tool (#ZW37500), or Ford EGR tool (#ZW37000). Available as a kit or sold individually.

Product #	Description	Fill	Case Count
ZWK10377	Diesel EGR Service Kit		8 per case
ZW18001	Diesel Charge™	16 oz (473 mL)	12 per case
ZWA6501	Diesel Induction System Cleaner	16 oz (473 mL)	12 per case
ZWA64071	De-Carbon Foam™	13 oz (369 g)	12 per case

Diesel Purge Kit

Diesel Injector Purge is a highly concentrated treatment specifically formulated to clean diesel fuel systems, especially the hard to remove injector and combustion chamber deposits. Diesel Charge™ is formulated with polyetheramine to reduce exhaust particulate emissions and boost overall engine performance. Available as a kit or sold individually.

Product #	Description	Fill	Case Count
ZWK10366	Diesel Purge Kit		6 per case
ZW15401	Diesel Injector Purge	16 oz (473 mL)	12 per case
ZW18001	Diesel Charge	16 oz (473 mL)	12 per case

Premium Diesel Fuel Treatment

Premium Diesel Fuel Treatment contains highly effective additives that remove fuel injector deposits, increase cetane number and improve cold flow.

Product #	Description	Fill	Case Count
ZW21301	Premium Diesel Fuel Treatment	11 oz (325 mL)	24 per case

Emission Control + Plus +™

Formula lowers emissions in gasoline and diesel engines, while increasing fuel economy. EPA registered.

Product #	Description	Fill	Case Count
ZW67901	Emission Control + Plus +™	11 oz (325 mL)	24 per case
ZW67902	Emission Control + Plus +™	379 lbs (172 kg)	Drum

Engine

Fifty +Plus+ / Eighty +Plus+

Fifty +Plus+ extends engine life of older vehicles by increasing viscosity, adding wear protection and conditioning seals. Designed for cars with over 50,000 miles/80,000 kilometers.

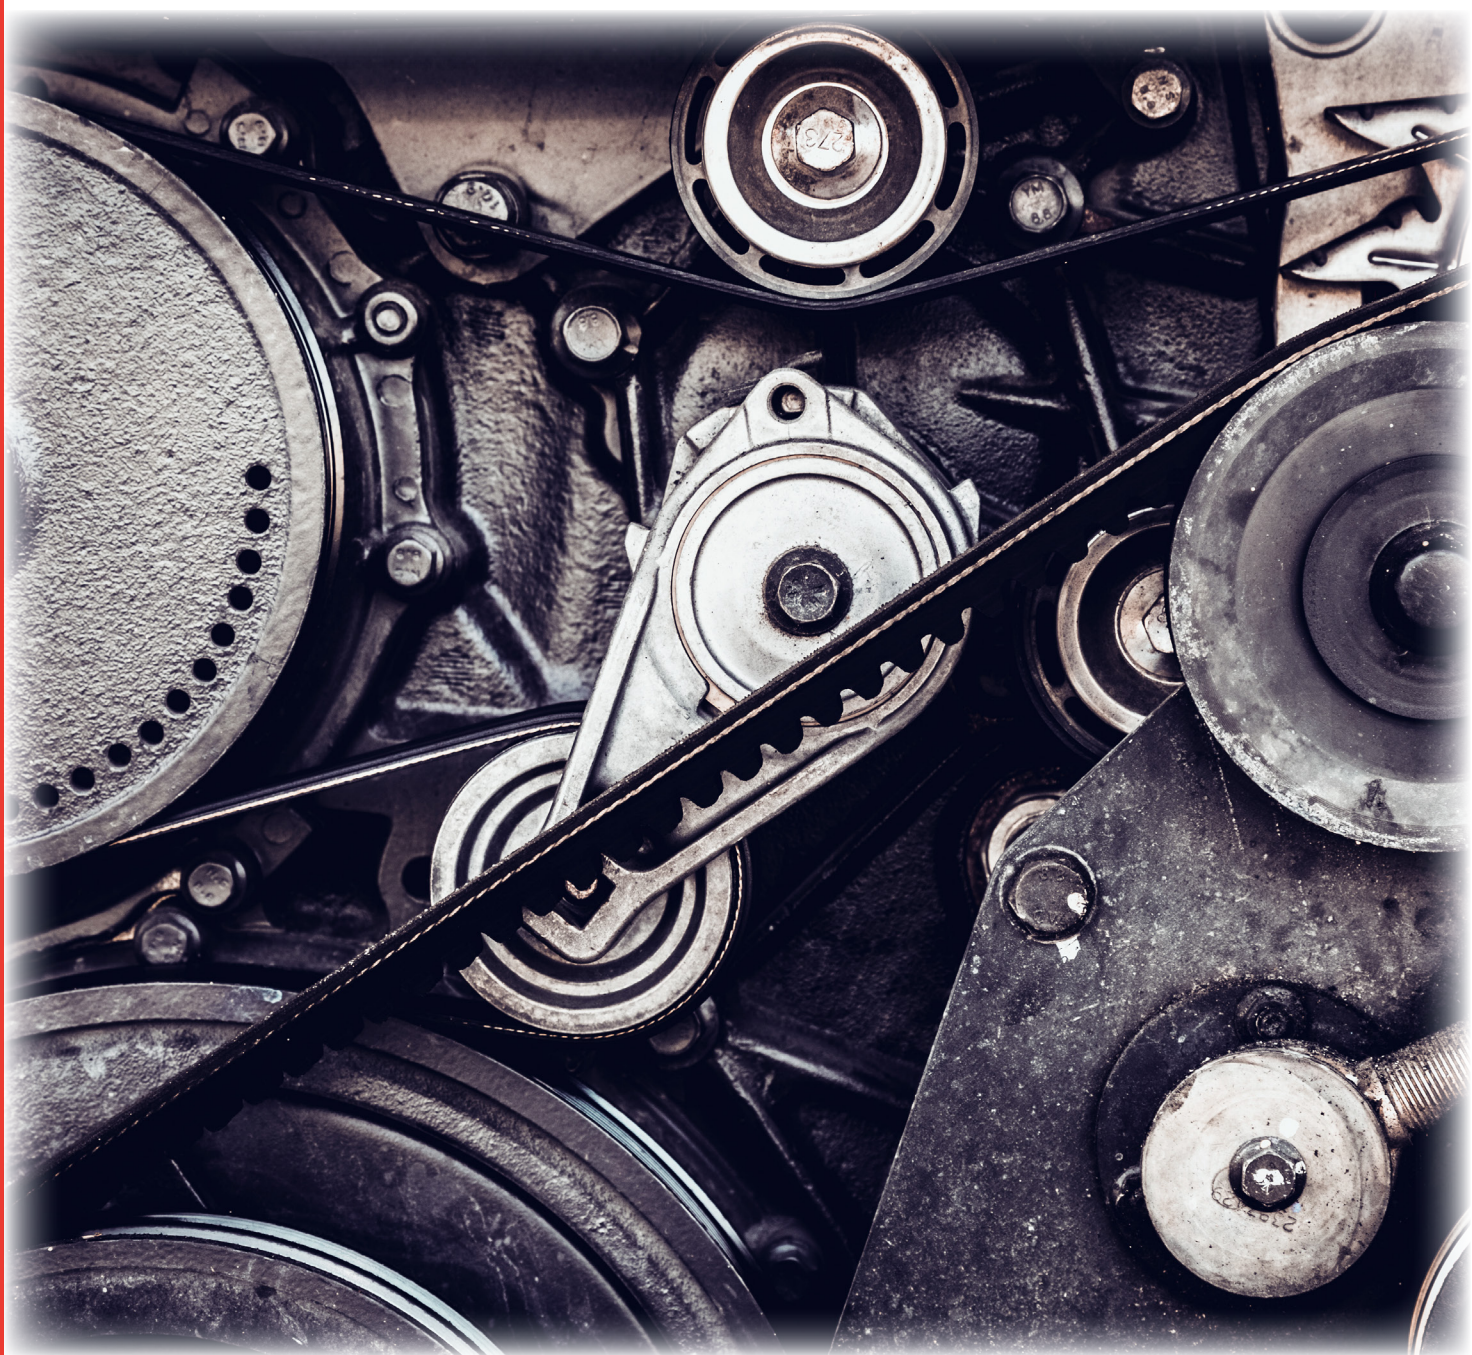

Engine Oil Treatment

Wynn's Friction Proofing Engine Oil Fully Synthetic Formula enhances lubrication, protection and cleaning properties of synthetic, semi-synthetic and mineral based engine oils.

Product #	Description	Fill	Case Count
ZW68701	Fifty +Plus+ / Eighty +Plus+	13.5 oz (400 mL)	24 per case

Product #	Description	Fill	Case Count
ZWA7001	Engine Oil Treatment	11 oz (325 mL)	24 per case

Supreme II Engine Cleaning System Kit

Internal Engine Cleaner safely removes sludge and varnish, reducing contamination of new oil. Oil treatment offers wear and oxidation protection and prevents sludge and varnish deposits. Kit includes 5" Supreme Engine Cleaner filter. Designed to be used with Wynn's Supreme Engine Cleaning Machine (#ZW09300).

Product #	Description	Fill	Case Count
ZWK10069	Supreme II Engine Cleaning System Kit		6 per case
ZW36301	Internal Engine Cleaner	30 oz (887 mL)	12 per case
ZW64328B	Supreme +Plus+™ Oil Treatment	11 oz (325 mL)	24 per case

Engine Oil Stop Leak

Engine Oil Stop Leak is an oil soluble supplement designed to stop and prevent oil leaks without dismantling the engine. Revitalizes rubber and neoprene seals of crankshaft, camshaft and valve stems.

Product #	Description	Fill	Case Count
ZW50602	Engine Oil Stop Leak	11 oz (325 mL)	24 per case

Titanium Oil Service Kit

Titanium Oil Service Kit is designed for use in all petroleum based, semi-synthetic and synthetic based motors oils in gasoline and diesel engine applications. Cleaner safely dissolves sludge for removal at oil change. Oil treatment offers wear and oxidation protection while safe for use with turbo charged engines. Available as a kit or sold individually.

Product #	Description	Fill	Case Count
ZWK10121	Titanium Oil Service Kit		12 per case
ZW61610	Oil System Cleaner & Conditioner	11 oz (325 mL)	24 per case
ZW64328B	Supreme +Plus+™ Oil Treatment	11 oz (325 mL)	24 per case

Tune-Up Concentrate

Tune-Up Concentrate cleans valves and rings to improve engine performance. Quiets noisy hydraulic lifters, removes sludge and varnish deposits between oil changes.

Product #	Description	Fill	Case Count
ZW63614A	Tune-Up Concentration	11 oz (325 mL)	24 per case

Transmission

Multi-Vehicle Synthetic CVT Fluid

Multi-Vehicle CVT Fluid is high performance synthetic formula that provides anti-wear and corrosion control. Formulated for use in Continuously Variable Transmissions (CVT). It provides excellent oxidative stability and outstanding performance at both low and high temperatures. Optimizes performance and transmission life.

Product #	Description	Fill	Case Count
ZWA5501*	Multi-Vehicle CVT Fluid	128 oz (3.78 L)	4 per case
ZWA5502*	Multi-Vehicle CVT Fluid	381 lbs (173 kg)	Drum

Automatic Transmission Cleaner Kit

Automatic Transmission Cleaner safely removes deposits and cleans all components, preparing the transmission for new fluid. Treatment revitalizes seals and gaskets and boosts additives, extending transmission life. Available as a kit or sold individually.

Product #	Description	Fill	Case Count
ZWK10210*	Automatic Transmission Cleaner Kit		12 per case
ZW64506*	Automatic Transmission Treatment	11 oz (325 mL)	24 per case
ZW64401*	Automatic Transmission Cleaner	11 oz (325 mL)	24 per case

*NOT RECOMMENDED FOR CVT APPLICATIONS AND VEHICLES SPECIFYING TYPE "F" ATF

Premium Automatic Transmission Kit

Automatic transmission cleaner safely removes deposits and cleans all components, preparing the transmission for new fluid. Fully synthetic transmission treatment reduces wear, revitalizes seals and gaskets, and protects against oxidation. Available as a kit or sold individually.

Product #	Description	Fill	Case Count
ZWK10214	Premium Automatic Transmission Kit		12 per case
ZW64401	Automatic Transmission Cleaner	11 oz (325 mL)	24 per case
ZWA9501	Premium Automatic Transmission Treatment	11 oz (325 mL)	24 per case

*NOT SUITABLE FOR CVT APPLICATIONS

ShudderGuard™ Transmission Kit

ShudderGuard™ Transmission Kit safely removes deposits and cleans all components, preparing the transmission for new fluid. Add ShudderGuard™ to new fluid to smooth rough or hard shifting, prolonging transmission life. Available as a kit or sold individually.

Product #	Description	Fill	Case Count
ZWK10212	ShudderGuard™ Transmission Kit		12 per case
ZW55701	ShudderGuard™	11 oz (325 mL)	24 per case
ZW64401	Automatic Transmission Cleaner	11 oz (325 mL)	24 per case
ZWA3702	Automatic Transmission Cleaner (Drum)	400 lbs (181 kg)	4 per pallet

*NOT SUITABLE FOR CVT APPLICATIONS

Synthetic Transfer Case/Manual Transmission Fluid

Formulated for use in all transfer case and manual transmission applications specifying ATF or GL-1 through GL-4 gear oils. Use with Wynn's Differential Fluid Service Exchange Machine (#ZW05150).

Product #	Description	Fill	Case Count
ZW66303	Synthetic Transfer Case/Manual Transmission Fluid	64 oz (1.89 L)	6 per case

CVT Fluid Exchange Kit

Transmission Cleaner safely removes deposits and cleans all components. CVT fluid enhancer provides extreme pressure, anti-wear protection, protects against friction and reduces fluid oxidation. Available as a kit or sold individually.

Product #	Description	Fill	Case Count
ZWK10216	CVT Fluid Exchange Kit		12 per case
ZW64401	Automatic Transmission Cleaner	11 oz (325 mL)	24 per case
ZW66001	CVT Fluid Enhancer	11 oz (325 mL)	24 per case

Transmission

Fully Synthetic Automatic Transmission Fluid

Fully Synthetic Automatic transmission fluid provides exceptionally smooth shifting and freedom from shudder in the most demanding conditions. Excellent oxidative stability and performance at both low and high temperatures.

Product #	Description	Fill	Case Count
ZWA5101*	Fully Synthetic Automatic Transmission Fluid	32 oz (946 mL)	12 per case
ZWA5102*	Fully Synthetic Automatic Transmission Fluid	378 oz (171 kg)	Drum
ZWA5103*	Fully Synthetic Automatic Transmission Fluid	128 oz (3.78 L)	6 per case
ZWA5106*	Fully Synthetic Automatic Transmission Fluid (Tote)	330 gal (1250 L)	Tote
ZWA5107*	Fully Synthetic Automatic Transmission Fluid (Pail)	3 gal (11.4 L)	Pail
ZWA5108*	Fully Synthetic Automatic Transmission Fluid (Pail)	4 gal (15.2 L)	Pail

*NOT FOR SALE IN CA

Brake

DOT 3 Brake Fluid

Wynn's DOT 3 Brake Fluid is designed to be used in any system specifying DOT 3 Brake Fluid. Conforms to Federal Motor Vehicle Safety Standard No. 116 and SAE J1703.

DOT 4 Brake Fluid

Wynn's DOT 4 Brake Fluid is designed to be used in any system specifying DOT 4 Brake Fluid. Conforms to Federal Motor Vehicle Safety Standard No. 116 and SAE J1704.

Product #	Description	Fill	Case Count
ZW53052	DOT 3 Brake Fluid	32 oz (946 mL)	12 per case
ZW16203	DOT 3 Brake Fluid	64 oz (1.89 L)	6 per case

Product #	Description	Fill	Case Count
ZW35401	DOT 4 Brake Fluid	32 oz (946 mL)	12 per case
ZW16303	DOT 4 Brake Fluid	64 oz (1.89 L)	6 per case

Air Treatment

Airco Kit

A/C Treatment, applied through the external intake vents, cleans evaporator fins and removes ventilation odors. AircoFresh™ treats interior odor, leaving a fresh, clean scent.

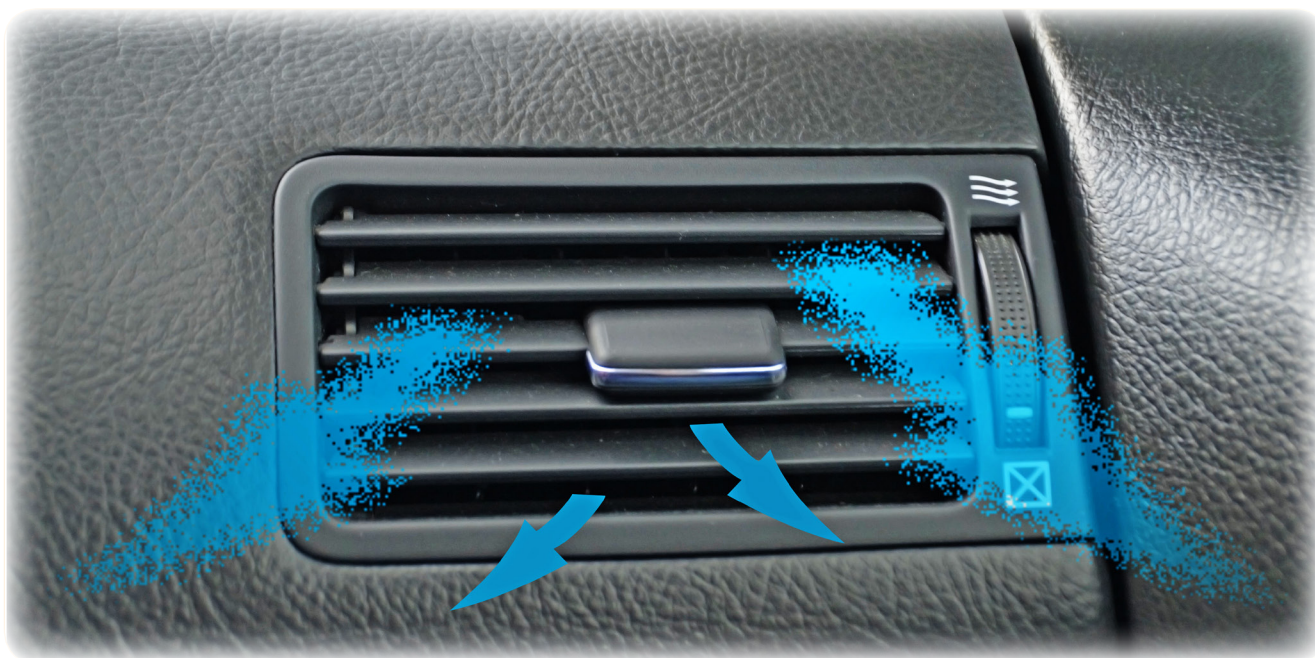

Airco-Clean™

Airco-Clean™ is a concentrated water-based non-toxic solution designed to clean, sterilize and deodorize the HVAC system and the vehicle's interior. For use with Wynn's Airromatic™ Equipment (#ZW03003).

Product #	Description	Fill	Case Count
ZWK10054	Airco Kit		10 per case
ZW62801	A/C Treatment	5.5 oz (156 g)	12 per case
ZW16301	AircoFresh™	3.0 oz (85 g)	12 per case

Product #	Description	Fill	Case Count
ZW30208	Airco-Clean™	3.3 oz (100 mL)	12 per case

A/C System Treatment

Wynn's Air Conditioning System Treatment conditions and lubricates A/C system components, stopping wear and noise in the system and helping to extend the life of the vehicle's compressor.

Air Purifier™

Air Purifier™ removes offensive odors from vehicle's A/C and heating system, cabin filters and interior surfaces. For use with Wynn's Airromatic™ Equipment (#ZW03003).

Product #	Description	Fill	Case Count
ZW63401	A/C System Treatment	2 oz (59 mL)	12 per case

Product #	Description	Fill	Case Count
ZWA1601	Air Purifier™	1.7 oz (50 mL)	12 per case

Differential

SAE 75W-140 Synthetic Gear Oil 2-Step Kit

SAE 75W-140 Synthetic Gear Oil 2-Step Kit is formulated to provide superior protection for vehicle differentials or manual transmissions where GL-5 gear oils are specified. This premium product helps to maximize component life, reduce friction and wear, and enhance limited slip performance. Available as a kit or sold individually.

Product #	Description	Fill	Case Count
ZWK10359	75W-140 Synthetic Gear Oil 2-Step Kit		5 per case
ZW14501	75W-140 Synthetic Gear Oil	64 oz (1.89 L)	6 per case
ZW64101	Limited Slip Friction Modifier	4 oz (118 mL)	24 per case

SAE 75W-140 Synthetic Gear Oil

SAE 75W-140 Synthetic Gear Oil is a heavy duty product designed to provide superior performance and protection in all GL-5 gear oil applications, including differentials and manual transmissions. This product is specifically formulated for all applications where manufacturers recommend SAE 75W-140 gear oils meeting SAE J2360, API MT-1, or GL-5 requirements.

Product #	Description	Fill	Case Count
ZW14505	75W-140 Synthetic Gear Oil	32 oz (946 mL)	12 per case
ZW14501	75W-140 Synthetic Gear Oil	64 oz (1.89 L)	6 per case
ZW14502	75W-140 Synthetic Gear Oil	379 lbs (172 kg)	Drum

SAE 75W-90 Synthetic Gear Oil 2-Step Kit

SAE 75W-90 Synthetic Gear Oil 2-Step Kit is formulated to provide superior protection for vehicle differentials or manual transmissions where GL-5 gear oils are specified. This premium product helps to maximize component life, reduce friction and wear, and enhance limited slip performance. Available as a kit or sold individually.

Product #	Description	Fill	Case Count
ZWK10042	75W-90 Synthetic Gear Oil 2-Step Kit		5 per case
ZW11601	75W-90 Synthetic Gear Oil	64 oz (1.89 L)	6 per case
ZW64101	Limited Slip Friction Modifier	4 oz (118 mL)	24 per case

SAE 75W-90 Synthetic Gear Oil

SAE 75W-90 Synthetic Gear Oil is a heavy duty product designed to provide superior performance and protection in all GL-5 gear oil applications, including differentials and manual transmissions. This product is specifically formulated for all applications where manufacturers recommend SAE 75W-90 gear oils meeting SAE J2360, API MT-1, or GL-5 requirements.

Product #	Description	Fill	Case Count
ZWK11605	75W-90 Synthetic Gear Oil	32 oz (946 mL)	12 per case
ZW11601	75W-90 Synthetic Gear Oil	64 oz (1.89 L)	6 per case
ZW11602	75W-90 Synthetic Gear Oil	381 lbs (173 kg)	Drum

SAE 75W-90 Synthetic Gear Oil with Friction Modifier

SAE 75W-90 Synthetic Gear Oil blended with Limited Slip Friction Modifier is formulated to provide superior protection for vehicle differentials or manual transmissions where SAE J2360, API MT-1, or GL-5 gear oils are specified. This premium product helps to maximize component life, reduce friction and wear, and enhance limited slip performance.

Product #	Description	Fill	Case Count
ZW711632	75W-90 Synthetic Gear Oil W/FM	32 oz (946 mL)	12 per case
ZW711664	75W-90 Synthetic Gear Oil W/FM	64 oz (1.89 L)	6 per case
ZW711654	75W-90 Synthetic Gear Oil W/FM	379 lbs (172 kg)	Drum

SAE 75W-140 Synthetic Gear Oil with Friction Modifier

SAE 75W-140 Synthetic Gear Oil blended with Limited Slip Friction Modifier is formulated to provide superior protection for vehicle differentials or manual transmissions where SAE J2360, API MT-1, or GL-5 gear oils are specified. This premium product helps to maximize component life, reduce friction and wear, and enhance limited slip performance.

SAE 75W-85 Synthetic Gear Oil with Friction Modifier

SAE 75W-85 Synthetic Gear Oil blended with Limited Slip Friction Modifier is formulated to provide superior protection for vehicle differentials or manual transmissions where SAE J2360, API MT-1, or GL-5 gear oils are specified. This premium product helps to maximize component life, reduce friction and wear, and enhance limited slip performance.

Product #	Description	Fill	Case Count
ZW714532	75W-140 Synthetic Gear Oil W/FM	32 oz (946 mL)	12 per case
ZW714564	75W-140 Synthetic Gear Oil W/FM	64 oz (1.89 L)	6 per case
ZW714554	75W-140 Synthetic Gear Oil W/FM	379 lbs (172 kg)	Drum

Product #	Description	Fill	Case Count
ZW718532	75W-85 Synthetic Gear Oil W/FM	32 oz (946 mL)	12 per case
ZW718564	75W-85 Synthetic Gear Oil W/FM	64 oz (1.89 L)	6 per case
ZW718554	75W-85 Synthetic Gear Oil W/FM	379 lbs (172 kg)	Drum

PROTECTION ON MOST COVERED PARTS FOR THE LIFE OF YOUR VEHICLE.

4 LEVELS OF COVERAGE

Coolant

Vacuum-Style Cooling System Cleaner Kit

Vacuum-Style Cooling System Cleaner helps remove dirt and scale from surfaces as the cooling system is drained. Treatment enhances the protective chemistry of new antifreeze. For use with Wynn's Vacuum Coolant Machine (#ZW30010). Available as a kit or sold individually.

Product #	Description	Fill	Case Count
ZWK10076	Vacuum-Style Cooling System Cleaner Kit		12 per case
ZWA4601	Universal Cooling System Treatment	11 oz (325 mL)	24 per case
ZW19401	Radiator Cleaner	11 oz (325 mL)	24 per case

Universal Cooling System Service Kit

Universal Cooling System Service Kit uses surfactant technology to safely clean the cooling system and promote a complete drain of used antifreeze. Treatment enhances the protective chemistry of new antifreeze. Available as a kit or sold individually.

Product #	Description	Fill	Case Count
ZWK10077	Universal Cooling System Service Kit		12 per case
ZWA4601	Universal Cooling System Treatment	11 oz (325 mL)	24 per case
ZW19301	Hi-Strength Cooling System Cleaner	11 oz (325 mL)	24 per case

Radiator Sealant

Wynn's Radiator Sealant stops common radiator and cooling system leaks. Compatible with all standards and extended-life coolants. Will not clog radiators or heater cores.

Product #	Description	Fill	Case Count
ZW19201	Radiator Sealant	11 oz (325 mL)	24 per case

Power Steering

Power Steering System Kit-Red

Power Steering System Cleaner restores power steering performance by cleaning and removing impurities from the power steering system. Use with Wynn's Power Steering Machine (#ZW22000 or #ZW23000). Power Steering Fluid and Conditioner is recommended for power steering units using automatic transmission fluid for service fill. Available as a kit or sold individually.

Product #	Description	Fill	Case Count
ZWK10019	Power Steering System Kit-Red		4 per case
ZW57806	Power Steering Fluid and Conditioner	64 oz (1.89 L)	6 per case
ZW62409	Power Steering Cleaner	11 oz (325 mL)	24 per case

Power Steering System Kit

Power Steering Service Kit restores power steering performance by cleaning and removing impurities from the power steering system. Revitalizes seals and O-rings and prevents leaks which can damage power steering system components. Use with Wynn's Power Steering Machine (#ZW22000 or #ZW23000). Available as a kit or sold individually.

Product #	Description	Fill	Case Count
ZWK10017	Power Steering System Kit		4 per case
ZW61904	Power Steering Fluid and Conditioner	64 oz (1.89 L)	6 per case
ZW62409	Power Steering Cleaner	11 oz (325 mL)	24 per case

Type H/A Power Steering System Kit

Type H/A Power Steering Fluid is specially formulated for use in Honda and Acura power steering systems. Power Steering System Cleaner promotes a complete drain of used fluid. Use with Wynn's Power Steering Machine (#ZW22000 or #ZW23000). Available as a kit or sold individually.

Product #	Description	Fill	Case Count
ZWK10022	Type H/A Power Steering System Kit		4 per case
ZW39601	Type H/A Power Steering Fluid	64 oz (1.89 L)	6 per case
ZW62409	Power Steering Cleaner	11 oz (325 mL)	24 per case

Power Steering Supplement

Designed for use in most power steering systems, including those in which the manufacturer recommends either conventional power steering fluids or automatic transmission fluids. Protect against oxidation, wear and conditions seals.

Product #	Description	Fill	Case Count
ZW64805	Power Steering Supplement	4 oz (118 mL)	24 per case

Power Steering System Exchange Kit-Red

Power Steering System Cleaner removes harmful deposits and impurities from power steering systems. For use with Wynn's Power Steering Machine (#ZW22000 or #ZW23000). Recommended for power steering units using automatic transmission fluid for service fill. Available as a kit or sold individually.

Product #	Description	Fill	Case Count
ZWK10176	Power Steering System Exchange Kit-Red		3 per case
ZW57806	Power Steering System Cleaner	64 oz (1.89 L)	6 per case
ZW62404	Power Steering Fluid & Conditioner	64 oz (1.89 L)	6 per case

Power Steering

Power Steering Conditioner and Sealer

Power Steering Conditioner and Sealer is made for use in most power steering systems. Can be added after a fluid exchange service or between services to protect system from premature wear. Recommended for power steering units using conventional (non-ATF) fluid for service fill. Not recommended for Honda or Audi systems.

Product #	Description	Fill	Case Count
ZW77507	Power Steering Conditioner and Sealer	12 oz (354 mL)	24 per case

Synthetic Power Steering System Kit

Universal Synthetic Power Steering Fluid is formulated with PAOs for excellent cold-temperature properties. Use in VW and Audi vehicles specifying G 002 000, BMW, Saab, Mercedes-Benz specifying Pentosin CHF 11S, Jaguar, and Volvo vehicles. Premium alternative to standard PSF in most makes and models. Cleaner removes harmful deposits and impurities from power steering systems. Use with Wynn's Power Steering Machine (#ZW22000 or #ZW23000). Available as a kit or sold individually.

Product #	Description	Fill	Case Count
ZWK10079	Synthetic Power Steering System Kit		4 per case
ZWA4801	Universal Synthetic Power Steering Fluid	64 oz (1.89 L)	12 per case
ZW62409	Power Steering System Cleaner	64 oz (1.89 L)	12 per case

Type H/A Power Steering Fluid

Type H/A Power Steering Fluid is specially formulated for use in Honda and Acura power steering systems. It protects against pump breakdown and provides a cleaner, smoother operating power steering system. For use with Wynn's Power Steering Use with Wynn's Power Steering Machine (#ZW22000 or #ZW23000).

Product #	Description	Fill	Case Count
ZW39601	Type H/A Power Steering Fluid	64 oz (1.89 L)	6 per case

Power Steering System Exchange Kit

Power Steering Fluid and Conditioner is recommended for power steering units using conventional fluid for service fill. Power Steering System Cleaner removes harmful deposits and impurities from power steering systems. Use with Wynn's Power Steering Machine (#ZW22000 or #ZW23000). Available as a kit or sold individually.

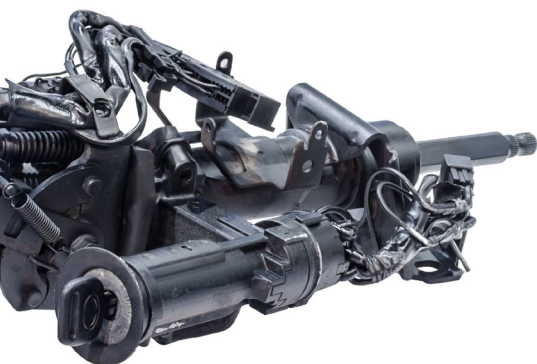

Product #	Description	Fill	Case Count
ZWK10179	Power Steering System Exchange Kit		3 per case
ZW61904	Power Steering Fluid & Conditioner	64 oz (1.89 L)	6 per case
ZW62404	Power Steering Cleaner	64 oz (1.89 L)	6 per case

Type H/A Power Steering Exchange Kit

Wynn's Type H/A Power Steering Fluid is specially formulated for use in Honda and Acura power steering systems. Cleaner removes harmful deposits and impurities from power steering systems. Use with Wynn's Power Steering Machine (#ZW22000 or #ZW23000). Available as a kit or sold individually.

Product #	Description	Fill	Case Count
ZWK11001	Type H/A Power Steering Exchange Kit		3 per case
ZW39601	Type H/A Power Steering Fluid	64 oz (1.89 L)	6 per case
ZW62404	Power Steering System Cleaner	64 oz (1.89 L)	6 per case

Shop

Battery Maintenance Kit

Battery Maintenance Kit is the way to keep your battery terminals and connections clean and trouble-free. Cleaner neutralizes acids as it cleans terminals and connections. Apply battery terminal protector pads to prevent battery terminal corrosion. Available as a kit or sold individually.

Product #	Description	Fill	Case Count
ZWK10565	Battery Maintenance Kit		12 per case
ZW11701	Battery Terminal Cleaner and Leak Detector	2 oz (59 mL)	1 per kit
ZW21401	Battery Terminal Protector Pads	2 pads per package	1 per kit

Silicone Lubricant

Multi-use dry lubricant reduces friction between surfaces. Protects against rust and corrosion. Reduces static electricity and prevents sticking of materials. Is water and moisture repellent. Does not stick, stain or oxidize. Lubricates plastic, wood, rubber and metal.

Product #	Description	Fill	Case Count
ZW52606*	Silicone Lubricant	10.22 oz (290 g)	12 per case

Viscotene™

Heavy duty all-weather lubricant adheres to parts and does not wash off. Resistant to water, prevents corrosion. Available as an aerosol or a liquid.

Product #	Description	Fill	Case Count
ZW80608*	Viscotene™	10.5 oz (297 g)	12 per case
ZW80001	Viscotene™	128 oz (3.78 L)	6 per case
ZW80002	Viscotene™	398 lbs (181 kg)	Drum

Number 5™ Spray

Professional formula multi-use spray cleans, protects and lubricates all mechanical parts. Industrial, motor sports and automotive use.

Product #	Description	Fill	Case Count
ZW31002	Number 5™ Spray	11 oz (312 g)	12 per case

*NOT FOR SALE IN CA

Professional Brake Cleaner

Cleans brake parts and electrical contacts instantly. Quickly penetrates and dissolves grease, oil, transmission fluid, brake fluid and other contaminants. Corrects disc brake squeal due to contaminants and dries fast, leaving no residue. Also cleans electric motors, starts and switches.

Product #	Description	Fill	Case Count
ZWA5601	Professional Brake Cleaner	14.4 oz (408 g)	12 per case

Glass Cleaner

Specially formulated to leave glass sparkling and streak-free. Very effective at cutting through grease, dirt, road tar, bugs, cigarette smoke film and grime. Leaves no residue. Use for quick, thorough, effective cleaning of windows, mirrors and other glass surfaces.

Product #	Description	Fill	Case Count
ZW57612	Glass Cleaner	19 oz (538 g)	12 per case

#5 Foam Spray

Penetrates and lubricates. Repels moisture. Protects and loosens rusted parts. Unique valve allows spraying of product while can is held upside down.

Product #	Description	Fill	Case Count
ZW55555	#5 Foam Spray	15.53 oz (440 g)	12 per case

RTV Black W/ Dispenser

High temperature resistant black RTV silicone gasket maker. Oil, transmission fluid, anti-freeze and water resistant. Ethylene Glycol resistant. Withstands temperatures from -60°C to 232°C. Water tight filling and bonding material. Suitable for replacing all types of pre-cut gaskets except head gaskets. Safe for oxygen sensors and catalytic converters.

Product #	Description	Fill	Case Count
ZW67506	RTV Black W/Dispenser	8.0 oz (226 g)	12 per case

Lithium Grease

Non-Chlorinated. Reduces friction on metal-to-metal applications. Adheres to metal surfaces under extreme conditions. Resists melting, freezing and wash off.

Product #	Description	Fill	Case Count
ZW57505	Lithium Grease	11.5 oz (326 g)	12 per case

Equipment

Differential Fluid Exchange Machine

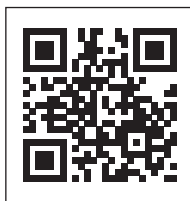

The Wynn's Differential Fluid Exchange Machine removes old gear oil from the differential case and replaces it with new fluid in one easy process. It improves the life of the gear box, its components and keeps the gear box running smoothly. Once machine is hooked up there's a 10-minute service time. Use with Bottle Tray (#ZW408360BT) sold separately. Adapter Kit (#QM63132) included with machine and also sold separately.

Product #	Description	Dimensions	Net Weight
ZW05150	Differential Fluid Exchange Machine	22" H x 25.25" W x 44.25" D	Approx. 80 lbs (36.28 Kg)
QM63132	Adapters for Differential Fluid Exchange Machine	N/A	N/A
ZW408360BT	Bottle Tray for Differential Machine	N/A	N/A

Bottle Tray #ZW408360BT

Service Equipment

Coolant System Exchange Machine

Easy application, fast and effective! Using the Wynn's Coolant System Exchange Machine helps extend the life of the cooling system components by keeping it clean and functioning as efficiently as possible. Use Adapter Kit (#QM66555) sold separately. For use with (#ZW07650) only.

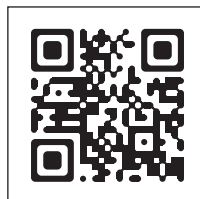

Adapter Kit #QM66555

Product #	Description	Dimensions	Net Weight
ZW07650	Coolant System Exchange Machine	22" H x 25.25" W x 44.25" D	Approx. 100 lbs (45.35 kg)
QM66555	Adapter Kit for Coolant Machine	N/A	3.55 lbs (1.6 kg)

Vacuum Coolant Machine

The Wynn's Vacuum Coolant Machine performs quick, non-labor intensive cooling system service, extending the life of the cooling system. The single tube design can be used to perform the service to the vehicle's radiator or remote reservoir that is part of the circulation system. Adapter Kit included with machine.

Product #	Description	Dimensions	Net Weight
ZW30010	Vacuum Coolant Machine	55"H x 19" W x 22" D	Approx. 65 lbs (29.5 Kg)

Service Equipment

Tri-Mode Transmission Fluid Exchange Machine

Extending the life of a transmission has just been made easier! The Wynn's Tri-Mode Transmission Fluid Exchange Machine can perform both an In-Line mode and a Dipstick mode service. Use Adapter Kit (#ZW9902T3) and Adapter Tray (#ZW08750FT), both sold separately.

Product #	Description	Dimensions	Net Weight
ZW08750	Tri-Mode Transmission Fluid Exchange Machine	22" H x 25.25" W x 44.25" D	Approx. 136 lbs (61.68 Kg)
ZW9902T3	Tri-Mode Transmission Adapter Kit	N/A	5 lbs (2.3 kg)
ZW08750FT	Tri-Mode Transmission Adapter Tray	N/A	1.95 lbs (1 kg)

Adapter Kit #ZW9902T3

In-Line

Dipstick

Adapter Tray #ZW08750FT

Service Equipment

Bottle Tray
#ZW408360BT

Brake Fluid Exchange Machine

The Wynn's Brake Fluid Exchange Machine provides a complete brake fluid exchange. It delivers brake fluid into the reservoir, simultaneously supplying vacuum to the bleed screws at all four wheels, ensuring a constant supply of new brake fluid and eliminating any air present or introducing new air into the system. Use with Adapter Kit (#ZW9999) and Bottle Tray (#ZW408360BT) both sold separately.

Adapter Kit #ZW9999

Product #	Description	Dimensions	Net Weight
ZW09550	Brake Fluid Exchange Machine	22" H x 25.25" W x 44.25" D	Approx. 102 lbs (46.26 Kg)
ZW9999	Brake Adapter Kit	N/A	7.25 lbs (3.3 kg)
ZW408360BT	Bottle Tray for Brake Machine	N/A	N/A

Pneumatic Brake Machine

The Wynn's Pneumatic Brake Machine has an adjustable pressure setting that allows conventional and hybrid brake services. It is simple to operate, and works on most passenger and light to medium duty trucks. Once the new fluid line is connected to the master cylinder, a complete brake service can be performed in 10 minutes or less. Use with Adapter Kit (#ZW9999) sold separately.

Adapter Kit #ZW9999

Product #	Description	Dimensions	Net Weight
ZW09100	Pneumatic Brake Machine	49"H x 22" W x 20" D	Approx. 75 lbs (34.02 Kg)
ZW9999	Brake Adapter Kit	N/A	7.25 lbs (3.3 kg)

Service Equipment

Power Steering Fluid Exchange Machine

When used in conjunction with the appropriate Wynn's 2-Step Power Steering Service Kit, services performed help prevent component wear, keep seals conditioned to prevent leaks and provide the appropriate fluid viscosity for maximum power steering system performance. Also available is the Power Steering Fluid Exchange Tool Box (#ZW22000), for small shops with limited space, sold separately.

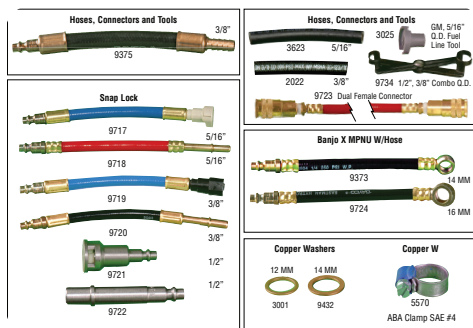

Power Steering Fluid Exchange Tool Box #ZW22000

Product #	Description	Dimensions	Net Weight
ZW23000	Power Steering Fluid Exchange Machine	44" H x 24" W x 20 1/2"D	Approx. 80 lbs (36.28 kg)
ZW22000	Power Steering Fluid Exchange Tool Box	N/A	12.25 lbs (5.6 kg)

Diesel Clean Machine

The Wynn's Diesel Clean Machine allows easy and complete cleaning of diesel fuel systems. Applicable to all diesel vehicles including trucks and passenger cars. Use with Diesel Adapter Kit (#ZW9911) sold separately.

Adapter Kit #ZW9911

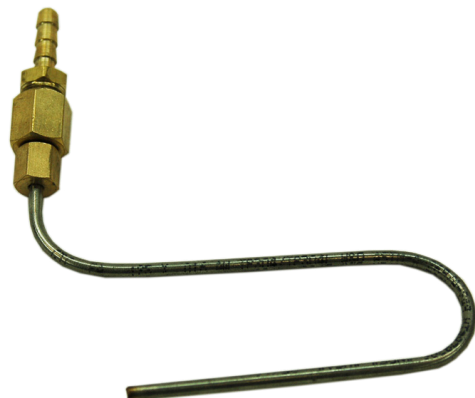

Product #	Description	Dimensions	Net Weight
ZW03500	Diesel Clean Machine	40.25" H x 21.5" W x 18.5"D	Approx. 61 lbs (27.66 kg)
ZW9911	Diesel Adapter Kit (Big 3)	N/A	2.70 lbs (1.22 kg)

Service Equipment

Foam Induction Tool

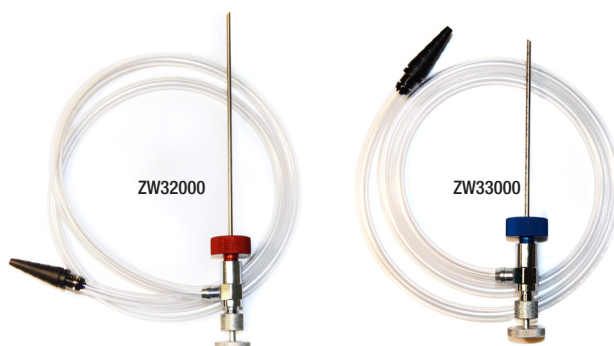

Designed for hands-free delivery of Wynn's De-Carbon Foam™ into the throttle body. Universal fit secured by air intake boot and adaptable to dual throttle bodies. Use only with Wynn's De-Carbon Foam™ (#ZWA64071).

Product #	Description	Dimensions	Net Weight
ZW31600	Foam Induction Tool	N/A	Approx. 12 oz (0.35 kg)

Induction System Cleaning Tool

Applies induction cleaners as an atomized mist to effect more even product distribution to all intake runners and valves, as well as combustion chambers.

Product #	Description	Dimensions	Net Weight
ZW32000	Induction System Cleaning Tool (16 oz Can)	N/A	Approx. 0.60 oz (0.017 kg)
ZW33000	Induction System Cleaning Tool (12 oz Can)	N/A	Approx. 0.50 oz (0.014 kg)

Controlled Induction Delivery Device (CIDD)

Technologically advanced Induction Cleaner Delivery Device is designed to control the flow rate of Induction cleaner for optimum cleaning and consistent product performance.

Product #	Description	Dimensions	Net Weight
CIDD	Controlled Induction Delivery Device (CIDD)	N/A	Approx. 4.5 oz (1.3 g)

Rapid Evacuation Tool (RET)

A multi-function tool to transfer, evacuate or remove any non-flammable fluid safely and easily.

*Do not use with brake fluid.

Product #	Description	Dimensions	Net Weight
ZW6160	Rapid Evacuation Tool (RET)	N/A	Approx. 4.3 lbs (1.95 kg)

*DO NOT USE WITH BRAKE FLUID

Service Equipment

Diesel Purge Tool

Diesel fuel injector and combustion chamber cleaning tool provides engine running cleaning. Simply supply and return connections. Utilizes vehicle lift pump for re-circulation. Transparent container allows for easy monitoring of service completion. Large capacity design for large vehicle systems. Use with Wynn's Diesel Injector Purge (#ZW15401), a concentrated deposit control additive.

Product #	Description	Dimensions	Net Weight
ZW03600	Diesel Purge Tool	N/A	4.55 lbs (2.06 kg)

Aircomatic III™ Ozone Heat, Ventilation and Air Conditioning (HVAC) Cleaning System

Wynn's Aircomatic III™ HVAC Cleaning System safely and quickly eliminates offensive odors in the vehicle interior and air conditioning system. For best results, these two products are required for the machine to operate — Wynn's Airco-Clean (#ZW30208) and Wynn's Air Purifier (#ZWA1601).

Product #	Description	Dimensions	Net Weight
ZW03003	Aircomatic III™	9"H x 7" W x 12" D	Approx. 5.5 lbs (2.5 kg)

Enviropurge™ Tool Rectus Connector

Cleans deposits from intake valves, fuel injectors and combustion chambers. Helps restore lost power and improves fuel economy. Adapter Kit (#ZW04001) sold separately.

Product #	Description	Dimensions	Net Weight
ZW04000	Enviropurge™ Tool Rectus Connector	N/A	Approx. 4.2 lbs (1.91 kg)
ZW04001	Adapter Kit	N/A	9.05 lbs (4.11 kg)

Throttle Body Induction Tool

Designed for hands-free delivery of cleaning products into the throttle body. Universal fit secured by air intake boot and adaptable to dual throttle bodies. Use with Wynn's Enviropurge™ apparatus (#ZW04000) sold separately.

Product #	Description	Dimensions	Net Weight
ZW31500	Throttle Body Induction Tool	N/A	N/A

Retail Products

Engine Fogger

Protects engines against rust and corrosion during storage. For use in all 2 and 4 cycle gasoline engines including motorboats, snowmobiles, chainsaws, motorcycles, cars and other season items.

Product #	Description	Fill	Case Count
ZW59801	Engine Fogger	350 g (12.34 oz)	12 per case

Engine Tune-Up

Quiets noisy hydraulic valve lifters. Eliminates sticking of oil rings and valves. Prevents oxidation and premature oil thickening.

Product #	Description	Fill	Case Count
ZW63604	Engine Tune Up	325 mL (10.98 oz)	12 per case

Transmission Treatment & Stop Leak

Formulated to stop and prevent small leaks. Helps extend the life of the transmission and provides smoother shifting. Revitalizes seals and O-rings. Reduces oxidation and prolongs fluid life. Compatible with all factory approved transmission fluids.

Product #	Description	Fill	Case Count
ZW56222	Transmission Treatment & Stop Leak	325 mL (10.98 oz)	12 per case

Slick 'n Shine

Multi-use silicone lubricant works on numerous automotive applications. Waterproofs electrical systems. Contains no oil and will not stain. Protects tools, tire sidewalls, chrome, brass aluminum, leather, plastic, rubber and vinyl.

Product #	Description	Fill	Case Count
ZW52634	Slick 'n Shine	190 g (6.70 oz)	12 per case

Chain Lube

Water repellent formula reduces friction and wear. High penetrating properties. Treats cables, chains and gears.

Product #	Description	Fill	Case Count
ZW66479	Chain Lube	500 g (18 oz)	12 per case

Belt Dressing

Adds traction to belt grip and prolongs belt life. Stops belt squeal. Reduces friction between metal parts and guards against moisture and corrosion. Clings to metal surfaces in extreme temperatures and is resistant to melting, freezing and wash off.

Product #	Description	Fill	Case Count
ZW72314	Belt Dressing	226 g (7.3 oz)	12 per case

Retail-Fuel

Injector Cleaner

Concentrated formula works with one application to safely remove deposits and restore power loss due to fouled injectors. Lubricates and conditions fuel injection systems. For use in gas or diesel engines. Add to fuel tank at every oil change.

Product #	Description	Fill	Case Count
ZW61004	Injector Cleaner	325 mL (10.98 oz)	12 per case
ZW45003	Injector Cleaner (Econo Pak)		4 per case

Fuel Stabilizer

Formulated to keep fuel fresh during storage. Prevents formation of gum, varnish, rust and corrosion. Absorbs moisture and thwarts fuel thickening. Facilitates easier start-up after storage. For use in gas or diesel engines.

Product #	Description	Fill	Case Count
ZW59601	Fuel Stabilizer	325 mL (10.98 oz)	12 per case

Signature Series Injector Cleaner

Signature Series Injector Cleaner is a concentrated fuel injector cleaner with a propriety octane booster. Engineered to remove varnish and gum from dirty fuel injectors improving fuel economy and performance.

Product #	Description	Fill	Case Count
ZW36901C	Signature Series Injector Cleaner	355 mL (12 oz)	12 per case

Hot Shot Injector Cleaner w/Octane Boost

Super concentrated formula cleans dirty fuel injectors, increases horsepower and improves gas mileage. Fights rust and corrosion as it lubricates and conditions injectors. Stops knocks and pings. Safe for all catalytic converters and oxygen sensors. One bottle treats up to 60 liters of fuel.

Product #	Description	Fill	Case Count
ZW55304	Hot Shot Inject Cleaner w/Octane Boost	325 mL (10.98 oz)	12 per case

Gas Treatment

Gas Treatment is recommended for both fuel injected and carbureted systems. Designed to stop rust and corrosion in the fuel System, clean injectors, correct rough idling, hesitation, easier starting and stalling.

Product #	Description	Fill	Case Count
ZW56121	Gas Treatment	250 mL (8.5 oz)	12 per case

Engine Stop Leak

Formulated to improve high temperature oil viscosity and gently condition rubber seals and gaskets. Reduces oil burning. Helps stop internal and external oil loss. Safe for cold weather starting. Treatment not to exceed 10% of crankcase contents.

Product #	Description	Fill	Case Count
ZW50609	Engine Stop Leak	325 mL (10.98 oz)	12 per case
